## Casper Troopers Material Wanted for Exhibit

Casper, WY—Fort Caspar Museum will be celebrating sixty years of the Casper Troopers with an exhibit to run in 2017 and 2018. The Museum has acquired a number of items from the Casper Troopers such as uniforms, flags, and instruments, but we still need items to help show the history of our community's world class drum and bugle corps.

We are looking for Troopers souvenirs and collectibles, either on loan or by donation. A list of possible items could include t-shirts, pins, bumper strips, postcards, records, hats, decals, license plates or any other materials used promote the Casper Troopers. Items like these were sold at the Souvenir Wagon or made for special events. We are also interested in any Trooper photographs that families may have taken of the corps engaged in various activities. If possible, we hope to gather these objects by the end of this year.

Please contact Rick Young at Fort Caspar Museum at 235-8462 or at [ryoung@casperwy.gov](mailto:ryoung@casperwy.gov).
